

NORALTA SKATING CLUB

COVID-19

First Aid Policy

1. Coaches are required to don PPE (Face Shield, disposable gloves) prior to providing 1st aid
 - a. Face Shield and Mask will be available at ice level
2. Coaches will be encouraged to limit contact as much as possible
3. If required, skater will be moved to a specified bench area
4. One parent/guardian will be permitted in bench
 - a. Parent/Guardian must leave cell # for emergency contact with screening
 - b. Parent/Guardian is encouraged not to touch doors or surfaces when entering benches
5. After 1st aid is complete, face shield will be wiped down by staff, and benches used for 1st aid will be wiped down by either the parent or skater and coach who used it
6. In the case of transmission of body fluid (blood, tears, etc) onto coach clothing, coach will be required to don fresh clothes before continuing to teach
7. Records of 1st aid are to be kept
 - a. A brief summary sheet will be filled out by the 1st aider at the conclusion of the day
