## Noralta To Host Sectionals!

Yes, it's true!

Noralta has bid *and won!* We are the host Club for the 2011 BMO Skate Canada: AB-NWT/Nunavut Sectionals

*When? Where?*

November 4-7, 2010 @ MacIsland

*What is Sectionals?*

Sectionals is the premier event for the Competitive stream! Skaters from Pre-Juvenile to Senior Competitive will compete. This is a showcase of super skating talent and the path that can take the top placing skaters to Western Challenge and onwards!

*What happens now?*

Kerri Brauner is the *Sectionals Team Chair* for this event. She is the lead organizer for this event and is the liaison between Noralta and Section. She will now be working hard to gather a team of volunteers to make sure this event is second to none!

This is a huge event! Kerri will be looking for a lot of help. Keep an eye on your email, to see where you can help out!

### THEFTS IN LOCKER ROOM!!

There have been recent thefts in the Noralta locker room!

Please remember to **LOCK** your belongings in your locker! And unless you are willing to take the chance of valuables going missing. DON'T bring them to the rink!

## CANADA DAY!

Noralta will be entering a float in the Canada Day parade this summer.

Special thanks to Crystal Brooks for volunteering to *coordinate* this event.

## Off Ice Training

I am in the process of finalizing Off Ice with Maclisland for summer. I am looking forward to working with the Island's trainers! They are eager to start with the skaters.

This 6 week session will focus on getting you ready for summer competition and to maintain conditioning prior to Fall. More information will be released in the next few weeks. Please watch for flyers, forms etc as well as emails pertaining to Summer Off Ice. Classes to start the first week of July.

Off Ice will only be offered to the Seniors this summer due to low registration numbers.

Full Off Ice for all groups will return in the Fall/Winter. I am also currently working on a Dance (Hip Hop, Jazz, Ballet etc) component for all groups for Winter. Keep watching your emails!
