PROGRAM INFORMATION

Preschool

This program is for 3-5 year olds not yet ready for our Canskate program. Designed to get your preschooler moving through games and lots of various activities that introduce a variety of skating skills. Daytime & Evening classes available.

Advanced Preschool

This program is for graduates of the Preschool programs who are not quite ready for a full one hour Canskate session. This class will introduce the same fundamentals as Canskate in a shorter 1/2 hour format. Badges are awarded for each level. Offered during the daytime only.

Canskate

The beginner course of Skate Canada and THE "learn-to-skate program for Canadians. Canskate is the program where all successful skaters, hockey players and speed skaters master their first skating skills and develop their passion to skate. This popular class teaches fundamental skating skills such as skating forward, backwards, stopping, turn, spin & jump through a sequence of seven progressing stages. Badges are awarded for each level. Recommended for ages 5 and up or preschool skating graduates.

JumpStart

For those skaters who've successfully completed Stage 5 (or recommendation by coach) of the Canskate program and are looking for a program with a figure skating focus. JumpStart is Noralta's prep program between Canskate and the Junior StarSkate or Synchronized programs.

Mom & Tot

This new program gives skaters 3 & under and a parent time together on the ice. This 1/2 hour class will have your tot learning to skate in a fun environment through games, songs & theme days!
