Our son began skating at 3 with Noralta and we couldn't have been happier! His skating excelled, especially when they introduced a Power Skating program for preschoolers. He did the entire program as well as skated in the evening sessions, eventually wearing out his instructors!! Our 4 years with Noralta was time and money well spent as our son is now an excellent skater which makes playing hockey and ringette so much easier for him!

What We Do

Noralta offers learn to skate programs for *most* age levels and all skill levels—*Three years old and up.*

- **Pre CanSkate**—For our youngest skaters (minimum age - 3 years old) - this is for 3-5 1/2 year olds and is their introduction to skating—done through play, repetition and fun!
- **CanSkate**—Skate Canada's *Learn To Skate* program—this is for ages 5 & Up; the foundation for all skating sports—figure skating, hockey, ringette. All fundamentals of skating will be taught—*Forward, Backward, Stop, Turn,* etc. taught in stages. Ribbons/Badges/Report Cards awarded at the conclusion of each semester.

Our story

Noralta is the *only* Learn To Skate and Figure Skating club in the Regional Municipality of Wood Buffalo. We have been offering superior quality programs for over 55 years to Fort McMurray youth. There are programs for everyone, 3 years old and up!

Noralta's programs are taught by Nationally Certified Professional Coaches. Our competitive figure skaters, give back to their sport by *assisting* on our Pre CanSkate and CanSkate programs as Program Assistants, passing on their love of the sport to the youth of Fort McMurray!

Whether a future figure skating superstar, hockey/ringette or just want to learn how to skate for the fun of it, we are your first stop!
